

BI Publisher Report Steps

Quick steps for the Bar Chart, Pie Chart, and Pivot Table in the Kawtherempreport BI Publisher template.

1. Load Data

1. Save the source as `kawtherempreport_230926` (Web Page, Complete).
2. In Word: BI Publisher tab → Sample XML → select that file.

2. Bar Chart

1. Chart → drag **Sal** to Values (Sum), **Deptno** to Labels.
2. Type: Bar Graph - Vertical → Preview → OK.

3. Pie Chart

1. New Chart → same **Sal** (Sum) / **Deptno** setup.
2. Type: Pie Chart → Preview → OK.

4. Pivot Table

1. Pivot Table → **Deptno** to Row, **Job** to Column, **Sal** to Data (Sum).
2. Preview (scroll right to check all columns) → OK.

5. Finalize

1. Click PDF/HTML to confirm real numbers (placeholder text like `G_JOB` in design view is normal).
2. Save as .rtf (Ctrl+S); export PDF if required.
